The permanent record of the special miscellaneous account as required by Regulation T is available for your inspection at your request.

The per annum rate of interest charged on the debit balance in your account is shown on this statement. This rate may change from time to time in accordance with fluctuations in interest rates. Interest is computed from the 16th day of the preceding month to the 15th day of the current month except in December and January. In December, the charges include the last day of the year and in January, the interest is calculated from the first day of the month. The interest is based on the average daily net debit balance in your account with us and for the actual number of days based on an interest year of 360 days. When calculating margin interest, free credit balances in all accounts will be offset against any debit in the margin account and the interest will be charged on the net debit balance.

We are required to report to the Internal Revenue Service all cash dividends and registered bond interest credited to your account on securities held for you in our name. We also report coupon bond interest. All dividends and interest credits should be included in your income tax return.

All short American style option positions are liable for assignment at any time whereas European style options are assigned at expiration. A more detailed description of our random allocation procedure is available upon request.

You are to promptly advise your brokerage firm or bank of any material changes concerning your investment objectives or financial situation.

Our financial statement is available for your personal inspection at our office or a copy of it will be mailed upon your written request.

These appraisals are based on the closing prices, bid and/or the mean bid and ask on the last day of the statement period. Because of the nature of the data provided by the quotation services, we cannot guarantee the accuracy of such prices or the valuation dates, particularly in the case of inactive or infrequently traded securities.

Some securities in your portfolio may be listed as "Unpriced" on your statement. We use an automated pricing service from an outside vendor and certain prices may not be available to them. You can obtain a current quotation upon request from your broker or bank.

If later, realized gains and losses may include transactions that settle during the following statement cycle. These transactions appear in the Portfolio Holdings section. Estimated unrealized gains (losses) are displayed for most securities currently held. The cost basis used in determining gains (losses) does not reflect wash sales and may not reflect all capital adjustments. Most exchanges reflected on this statement are treated as non-taxable unless or until other information has been communicated to us. Cost basis of preferred securities with original issue discount (OID) is not adjusted for the accretion of OID. For most long positions transferred between beneficial owners, the transferor's cost basis will be retained. For shares acquired from a decedent, you should consult your tax advisor to determine the appropriate valuations and holding period that applies. **ALTHOUGH THE COST BASIS SHOWN MAY HAVE BEEN ADJUSTED, YOUR COST BASIS MAY REQUIRE ADDITIONAL ADJUSTMENTS. NOTE: WE DO NOT REPRESENT THE CALCULATIONS OF REALIZED AND UNREALIZED GAINS (LOSSES) AS AN OFFICIAL TAX ACCOUNTING OF SUCH FIGURES. FOR TAX PURPOSES, YOU SHOULD RELY ON YOUR OWN RECORDS AND THE CONSOLIDATED FORM 1099 SENT TO YOU.**

In addition, the Rule (SEC 606) requires broker-dealers to disclose, on customer request, the venues to which the individual customer's orders were routed for the six months prior to the request, and the execution time for the orders that were executed. Exhibit 99 2**Meta Materials Announces Distribution of Series C Preferred Stock to Holders of its Common Stock**

HALIFAX, NS / ACCESSWIRE / January 23, 2024 / Meta Materials Inc (the "Company" or "META") (Nasdaq:MMAT), an advanced materials and nanotechnology company, today announced that its Board of Directors declared a distribution of one share of newly designated Series C Preferred Stock, par value \$0.001 per share, for each outstanding share of the Company's common stock and each voting right represented by the Company's Series B Preferred Stock held of record as of 5:00 p.m. Eastern Time on February 2, 2024. The shares of Series C Preferred Stock will be distributed to such recipients at 5:30 p.m. Eastern Time on February 2, 2024. The outstanding shares of Series C Preferred Stock will vote together with the outstanding shares of the Company's common stock, as a single class, exclusively with respect to a proposal to increase the Company's authorized shares as well as any proposal to adjourn any meeting of stockholders called for the purpose of voting on the increase in authorized shares, and will not be entitled to vote on any other matter, except to the extent required under the Nevada law. Subject to certain limitations, each outstanding share of Series C Preferred Stock will have 1,000 votes per share.

All shares of Series C Preferred Stock that are not present in person or by proxy at the meeting of stockholders held to vote on the increase in authorized shares as of immediately prior to the opening of the polls at such meeting will automatically be redeemed by the Company. Any outstanding shares of Series C Preferred Stock that have not been so redeemed will be redeemed if such redemption is ordered by the Company's Board of Directors or automatically upon the approval by the Company's stockholders of an amendment to the Company's articles of incorporation effecting the increase of authorized shares at such meeting.

The Series C Preferred Stock will be uncertificated, and no shares of Series C Preferred Stock will be transferable by any holder thereof except in connection with a transfer by such holder of any shares of the Company's common stock held by such holder. In that case, a number of shares of Series C Preferred Stock equal to the number of shares of the Company's common stock to be transferred by such holder would be transferred to the transferee of such shares of common stock.

Further details regarding the Series C Preferred Stock will be contained in a Current Report on Form 8-K to be filed by the Company with the Securities and Exchange Commission. In addition, the Company also intends to file a notice of special meeting of the Company's stockholders and a preliminary proxy statement to consider the approval of an increase in the Company's authorized shares as described herein, if necessary.

Item 3 03 Material Modification to Rights of Security Holders

The disclosure set forth in Item 5 03 below is hereby incorporated by reference into this Item 3 03

Item 5 03 Amendments to Articles of Incorporation or Bylaws, Change in Fiscal Year***Series C Preferred Stock Distribution***

As previously disclosed, on January 23, 2024, the board of directors (the “*Board*”) of Meta Materials Inc., a Nevada corporation (“*META*” or the “*Company*”), declared a distribution of one share of newly designated Series C Preferred Stock, par value \$0.001 per share (“*Series C Preferred Stock*”), for each outstanding share of the Company’s common stock, par value \$0.001 per share (“*Common Stock*”), and each voting right represented by the Company’s Series B Preferred Stock, par value \$0.001 per share (“*Series B Preferred Stock*”), held of record on February 2, 2024 (the “*Record Date*”)

General, Transferability The Board adopted resolutions providing that shares of Series C Preferred Stock will be uncertificated. As a result, outstanding shares of Series C Preferred Stock will be represented in book-entry form. The certificate of designation governing Series C Preferred Stock (the “*Certificate of Designation*”) provides that shares of Series C Preferred Stock may not be transferred by any holder thereof except in connection with a transfer by such holder of any shares of Common Stock held by such holder, in which case a number of shares of Series C Preferred Stock equal to the number of shares of Common Stock to be transferred by such holder will be automatically transferred to the transferee of such shares of Common Stock.

Voting Rights Each share of Series C Preferred Stock will entitle the holder thereof to 1,000 votes per share (and, for the avoidance of doubt, each fraction of a share of Series C Preferred Stock will have a ratable number of votes). Thus, each share of Series C Preferred Stock will entitle the holder thereof to 1,000 votes. The outstanding shares of Series C Preferred Stock will vote together with the outstanding shares of Common Stock as a single class exclusively with respect to (1) any proposal to adopt an amendment to our Articles of Incorporation to increase the authorized shares of Common Stock from 10,000,000 shares of Common Stock to a minimum of 250,000,000 shares of Common Stock in accordance with the terms of such amendment (the “*Authorized Share Proposal*”), and (2) any proposal to adjourn any meeting of stockholders called for the purpose of voting on the Authorized Share Proposal (the “*Adjournment Proposal*”). The Series C Preferred Stock will not be entitled to vote on any other matter, except to the extent required under the Nevada law.

Unless otherwise provided on any applicable proxy or ballot with respect to the voting on the Authorized Share Proposal or the Adjournment Proposal, as applicable, the holder of each share of Series C Preferred Stock (or fraction thereof) entitled to vote on the Authorized Share Proposal or the Adjournment Proposal, as applicable, at any meeting of stockholders held to vote on the Authorized Share Proposal will be cast in the same manner as the vote, if any, of the holder of the share of Common Stock (or fraction thereof) in respect of which such share of Series C Preferred Stock (or fraction thereof) was issued as a dividend is cast on the Authorized Share Proposal or the Adjournment Proposal, as applicable, and the proxy or ballot with respect to shares of Common Stock held by any holder on whose behalf such proxy or ballot is submitted will be deemed to include all shares of Series C Preferred Stock (or fraction thereof) held by such holder. Holders of Series C Preferred Stock will not receive a separate ballot or proxy to cast votes with respect to the Series C Preferred Stock on the Authorized Share Proposal or the Adjournment Proposal brought before any meeting of stockholders held to vote on the Authorized Share Proposal.

Dividend Rights The holders of Series C Preferred Stock, as such, will not be entitled to receive dividends of any kind.

Liquidation Preference The Series C Preferred Stock will rank senior to the Common Stock and Series B Preferred Stock as to any distribution of our assets upon a liquidation, dissolution or winding up of the Company, whether voluntarily or involuntarily (a “*Dissolution*”). Upon any Dissolution, each holder of outstanding shares of Series C Preferred Stock will be entitled to be paid out of our assets available for distribution to stockholders, prior and in preference to any distribution to the holders of Common Stock, an amount in cash equal to \$0.001 per outstanding share of Series C Preferred Stock.

Redemption All shares of Series C Preferred Stock that are not present in person or by proxy at any meeting of stockholders held to vote on the Authorized Share Proposal as of immediately prior to the opening of the polls at such meeting (the “*Initial Redemption Time*”) will automatically be redeemed by us at the Initial Redemption Time without further action on our part or on the part of the holder of shares of Series C Preferred Stock (the “*Initial Redemption*”). Any outstanding shares of Series C Preferred Stock that have not been redeemed pursuant to the Initial Redemption will automatically be redeemed in whole, but not in part, at the close of business on the earlier of (i) the business day established by the Board in its sole discretion and (ii) automatically without further action or formality on the part of the Company or the holder thereof upon the approval by the Company’s stockholders of the Authorized Share Proposal at any meeting of the stockholders held for the purpose of voting on such proposal.

Each share of Series C Preferred Stock redeemed in accordance with the Certificate of Designation will be deemed to be redeemed immediately prior to the redemption time described above. From and after such redemption time, each share of Series C Preferred Stock

redeemed pursuant to the Certificate of Designation will no longer be deemed to be outstanding and all rights in respect of such share of Series C Preferred Stock will cease, except for the right to receive \$0.001 in cash

Miscellaneous The Series C Preferred Stock is not convertible into, or exchangeable for, shares of any other class or series of our stock or other securities. The Series C Preferred Stock has no stated maturity and is not subject to any sinking fund.

The Certificate of Designation was filed with the Nevada Secretary of State and became effective on January 26, 2024. The foregoing description of the Series C Preferred Stock does not purport to be complete and is qualified in its entirety by reference to the Certificate of Designation, which is filed as Exhibit 3.1 to this Current Report on Form 8-K, and is incorporated herein by reference.

Reverse Stock Split

On January 26, 2024, the Company filed a Certificate of Change (the “*Certificate of Change*”) with the Nevada Secretary of State to effect the previously announced one-for-one hundred reverse split of the Company’s issued and outstanding Common Stock (the “*Reverse Stock Split*”), and the Reverse Stock Split became effective in accordance with the terms of the Certificate of Amendment at 12:01 a.m. Pacific Time on January 29, 2024 (the “*Effective Time*”). The Reverse Stock Split was approved by the Board in accordance with Nevada law.

At the Effective Time, every one hundred shares of Common Stock issued and outstanding were automatically combined into one share of Common Stock, without any change in the par value per share. The exercise prices and the number of shares issuable upon exercise of outstanding stock options, equity awards and warrants, and the number of shares available for future issuance under the equity incentive plans have been adjusted in accordance with their respective terms. The Reverse Stock Split will affect all stockholders uniformly and will not alter any stockholder’s percentage interest in the Company’s Common Stock. The Company will not issue any fractional shares in connection with the Reverse Stock Split. Instead, fractional shares will be rounded up to the next largest whole number. The Reverse Stock Split will not modify the relative rights or preferences of the Common Stock.

The Company’s transfer agent, Equiniti Trust Company, LLC, is the exchange agent for the Reverse Stock Split and will correspond with stockholders of record regarding the Reverse Stock Split. Stockholders owning shares via a broker or other nominee will have their positions automatically adjusted to reflect the Reverse Stock Split.

The Company’s common stock will begin trading on the Nasdaq Capital Market on a split-adjusted basis on Monday, January 29, 2024. The new CUSIP number for the Common Stock following the Reverse Stock Split is 59134N302.

The foregoing description of the Certificate of Change does not purport to be complete and is subject to, and is qualified in its entirety by reference to the Certificate of Change, which is filed as Exhibit 3.2 to this Current Report on Form 8-K, and is incorporated herein by reference.

Item 7.01 Regulation FD Disclosure

On January 23, 2024, the Company issued press releases announcing the Reversed Stock Split and the Series C Preferred Stock distribution. A copy of the press releases are furnished as Exhibits 99.1 and 99.2, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.

The information in Item 7.01 shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “*Exchange Act*”), nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.
